

Top-Shelf

STANDARD SPECIFICATIONS:

The specification below apply to our standard line of Self-Serve Sneeze Guards. Please call for non-standard sizes and finishes.

- * Available in our Standard 1-1/2" round tubing or Slim-Line 1" round tubing.
 - * Heavy Duty Flanges
 - * Glass clips accept both 1/4" or 3/8" glass thickness.
 - * Standard finish: Brushed stainless steel.
 - * Available in polished stainless and powder coated.
- Please call for rates and lead-times for non-standard finishes.*

Note: Glass is not included.

Glass Recommendations:

We recommend setting your post in place prior to ordering from your local glass company. This will ensure proper size. For 1/4" glass, we recommend a span of no more than 3 feet. For 3/8" glass, we recommend a span of no more than 4 feet.

*Closed-end option comes with an extra clip for mounting glass to counter or wall. Option end post may also be used to mount glass.
